

Class of

2020

RIVERSIDE

LETTER FROM THE CHANCELLOR

Dear Class of 2020 Highlanders:

Congratulations on your graduation from the University of California, Riverside! On behalf of the entire Highlander community, we are excited to welcome you back to your alma mater to celebrate your graduation.

Your class will forever have the distinction of graduating during a historic time. First, you persisted and earned your degree despite challenges. Next, you graduated into a world still in the grips of a pandemic. And now, having successfully passed through a maze of difficulty, we celebrate your milestone event as well as your resilience.

The experience of the last year deepens the meaning of community and interconnectedness. As you reflect on your accomplishments and experiences at UCR, I hope you will also think of those who supported you on the path to your degree.

Each of you has left your mark on this great campus. We hope you continue to maintain your connection to your alma mater, staying in touch with fellow alumni and mentors and returning whenever you can.

Congratulations again, Class of 2020!

A handwritten signature in black ink, which appears to read "Kim A. Wilcox". The signature is fluid and cursive.

KIM A. WILCOX
Chancellor

CONGRATULATIONS FROM THE UCR ALUMNI ASSOCIATION

Now is an extraordinary time in our history, and our newest graduates' resilience makes us proud to be Highlanders! As newly minted alumni, you will forever remain part of the institution Money magazine called the most transformative public university in the country and enjoy the benefits of a robust network of more than 126,000 alumni. We welcome the classes of 2021 and 2020 to this dynamic, fast-growing family of ambitious, talented, successful alumni. Our UCR ranks include a Nobel laureate and a two-time Pulitzer Prize winner. Our alumni are trailblazers in their field, including the first woman to serve as director of the Smithsonian's National Museum of American History and the first African American woman to lead a major U.S. zoo.

The UCR Alumni Association (UCRAA) provides programming and events for alumni to meet and network with others in various professions and communities. There are opportunities to get involved with other Highlanders in your area or those with similar backgrounds. You can also reconnect with the campus and current students through mentorship, volunteerism, and philanthropy. With an annual or lifetime UCRAA membership, you can access exclusive discounts and services, career resources, travel programs, and more. Wherever you go in life, we encourage you to maintain strong ties with your alma mater. We invite you to begin by joining the UCR Career Network at careernetwork.ucr.edu, signing up for the UCR Alumni Association at alumni.ucr.edu/join, and visiting alumni.ucr.edu.

UC Riverside has continued its trajectory as a university on the rise, powered by an entrepreneurial spirit, a record of innovation and results, and a commitment to excellence and collaboration across disciplines. We are a diverse, inclusive, globally focused community that reflects California's many cultures and perspectives. We are creating a new model for what a great public research university can do in the world. Our alumni help make this possible, and we cannot wait to see what our newest graduates accomplish along their journey!

RANDY OLSON '80
President
UCR Alumni Association

JORGE E. ANCONA
Executive Director
UCR Alumni Association

WELCOME TO THE HIGHLANDER ALUMNI FAMILY!

As a graduate of America's fastest-rising university, you are a part of a vibrant alumni community changing the world in extraordinary ways. As you embark on your next steps, UCR is committed to supporting you.

“My life has been enhanced by my UCR education and the relationships I made while an undergraduate. Staying involved on campus is my way of providing others now at UCR an opportunity to have a similar experience.”

– RANDY OLSON '80

UNIVERSITY HONORS

University Honors is designed for students who have shown through their own high achievement that they value intellectual challenges and want to be a part of an innovative, diverse, and stimulating learning community. Students benefit from close interaction with Honors faculty in small class settings and with Honors counselors who provide developmental counseling to help them optimize their educational experience at UCR. High-impact, experiential learning opportunities available to Honors students include: academic internships; service learning opportunities; and faculty-led, co-curricular activities. In addition, University Honors students are supported by a strong peer support system, faculty mentorship, Honors scholarship opportunities, and preparation for prestigious scholarships and awards. These experiences are designed to prepare students for participation in independent, faculty-mentored research that advances knowledge in their discipline, culminating in a capstone project.
